

KULA

by Bryndís

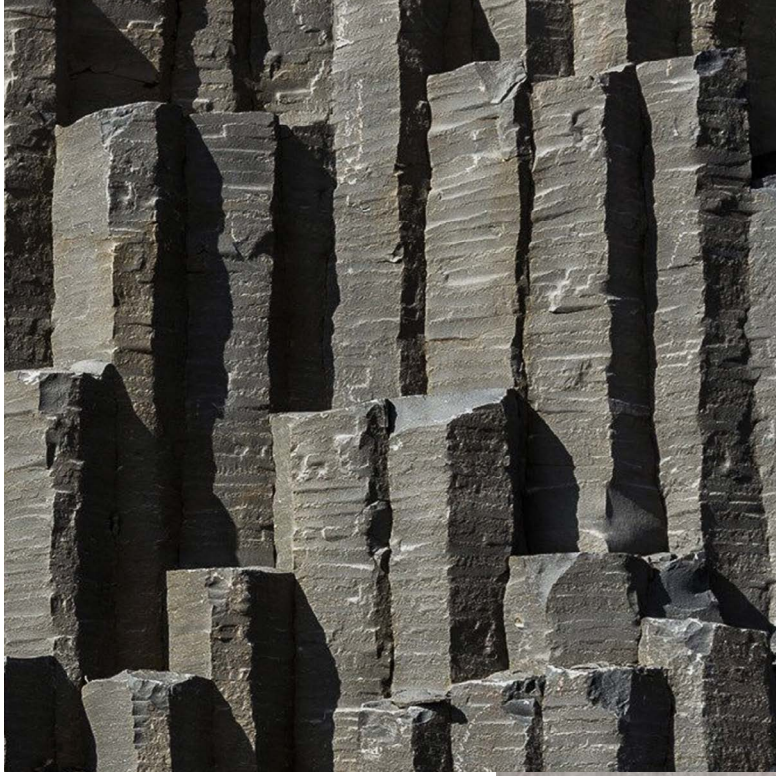

Welcome to my
fantasy world

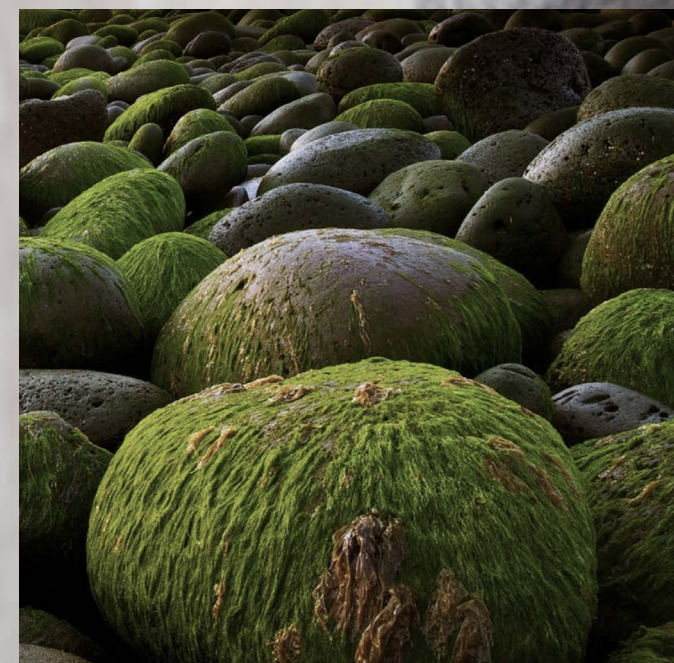

Where recycling drives the landscaping of *Earth Matters Textile*

Natural forms transpose to *another dimension*

Geometrical forms *of wellbeing*

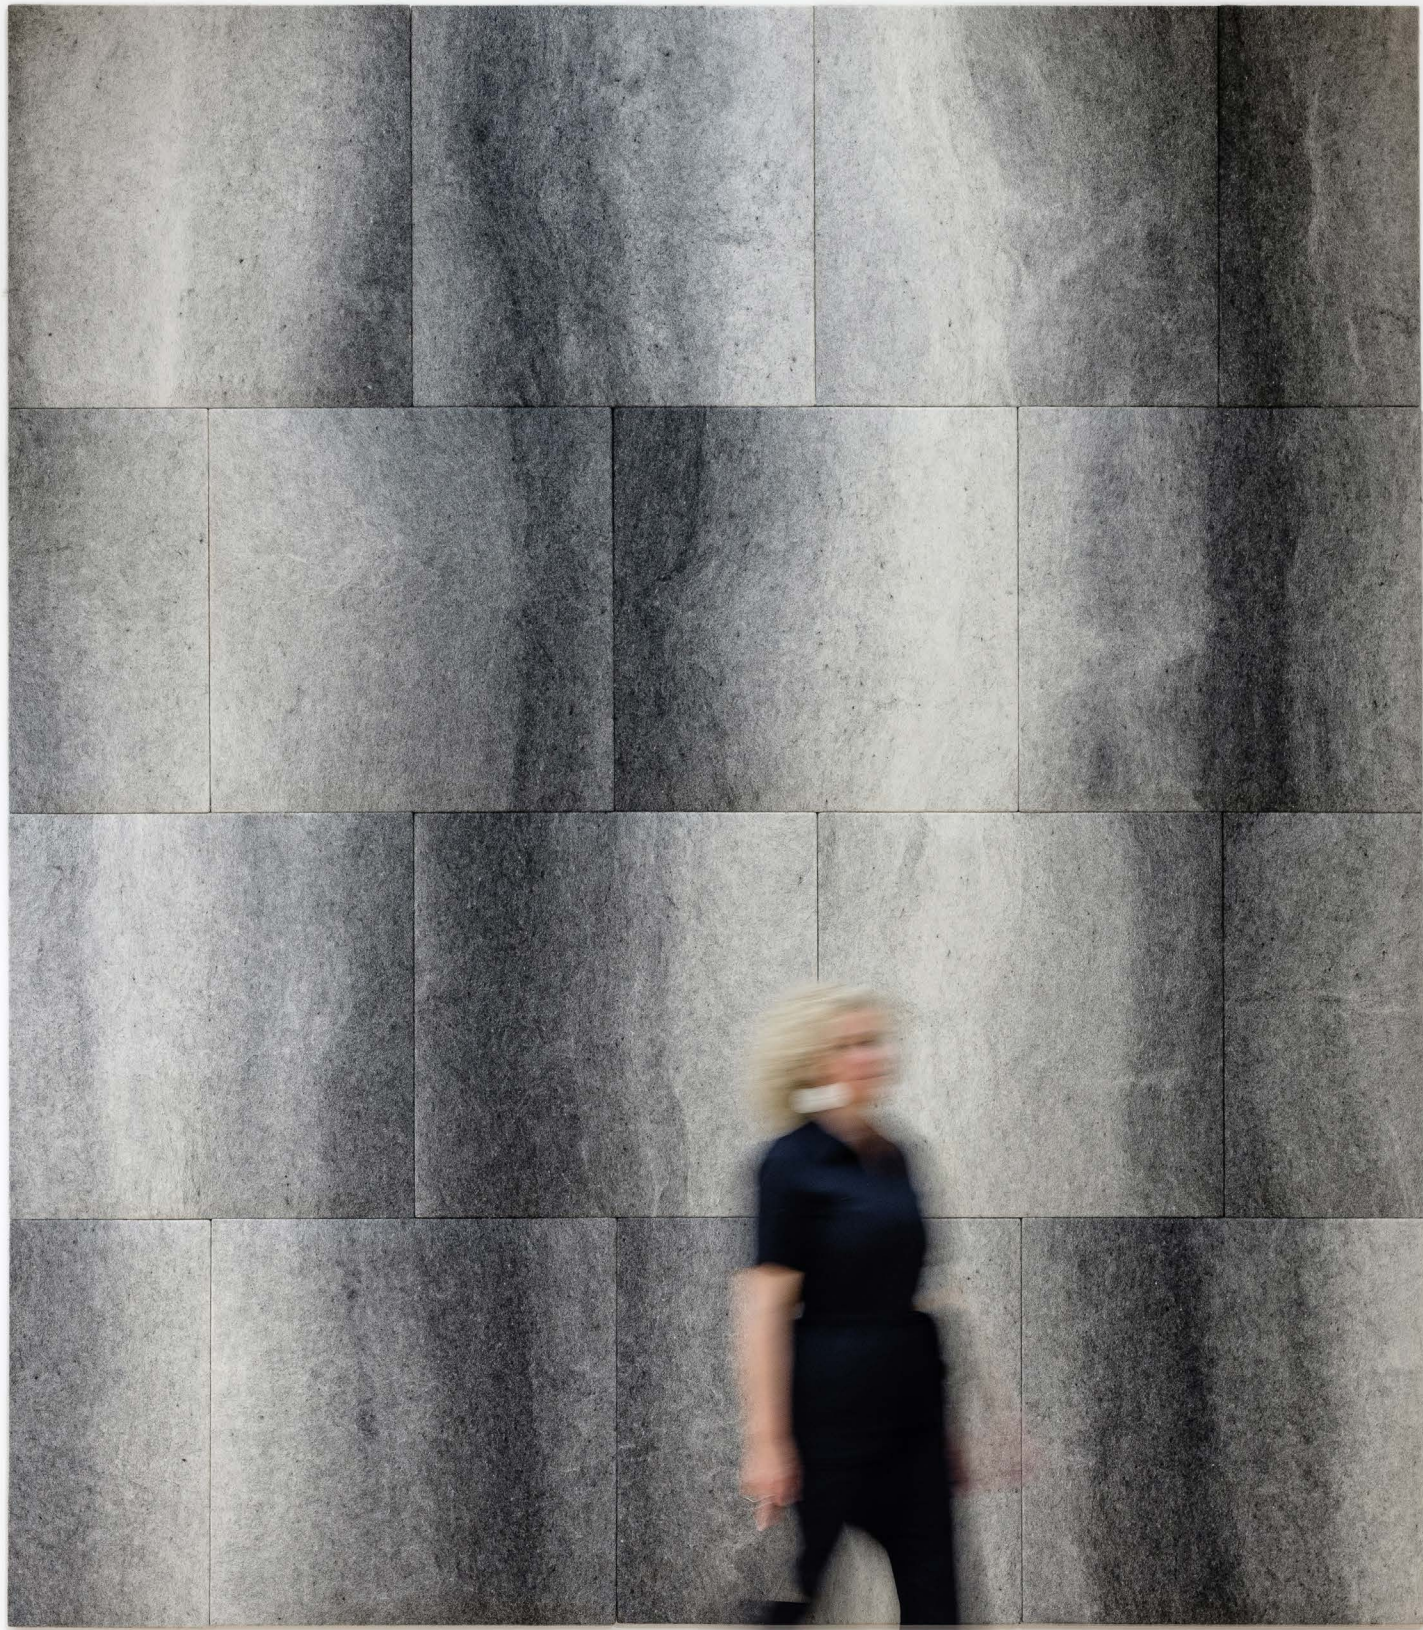

Capturing the
stillness of movement

Where the imagination
starts to flourish in the *fog*

EarthMatters;
**Durable, Sustainable,
Recyclable**

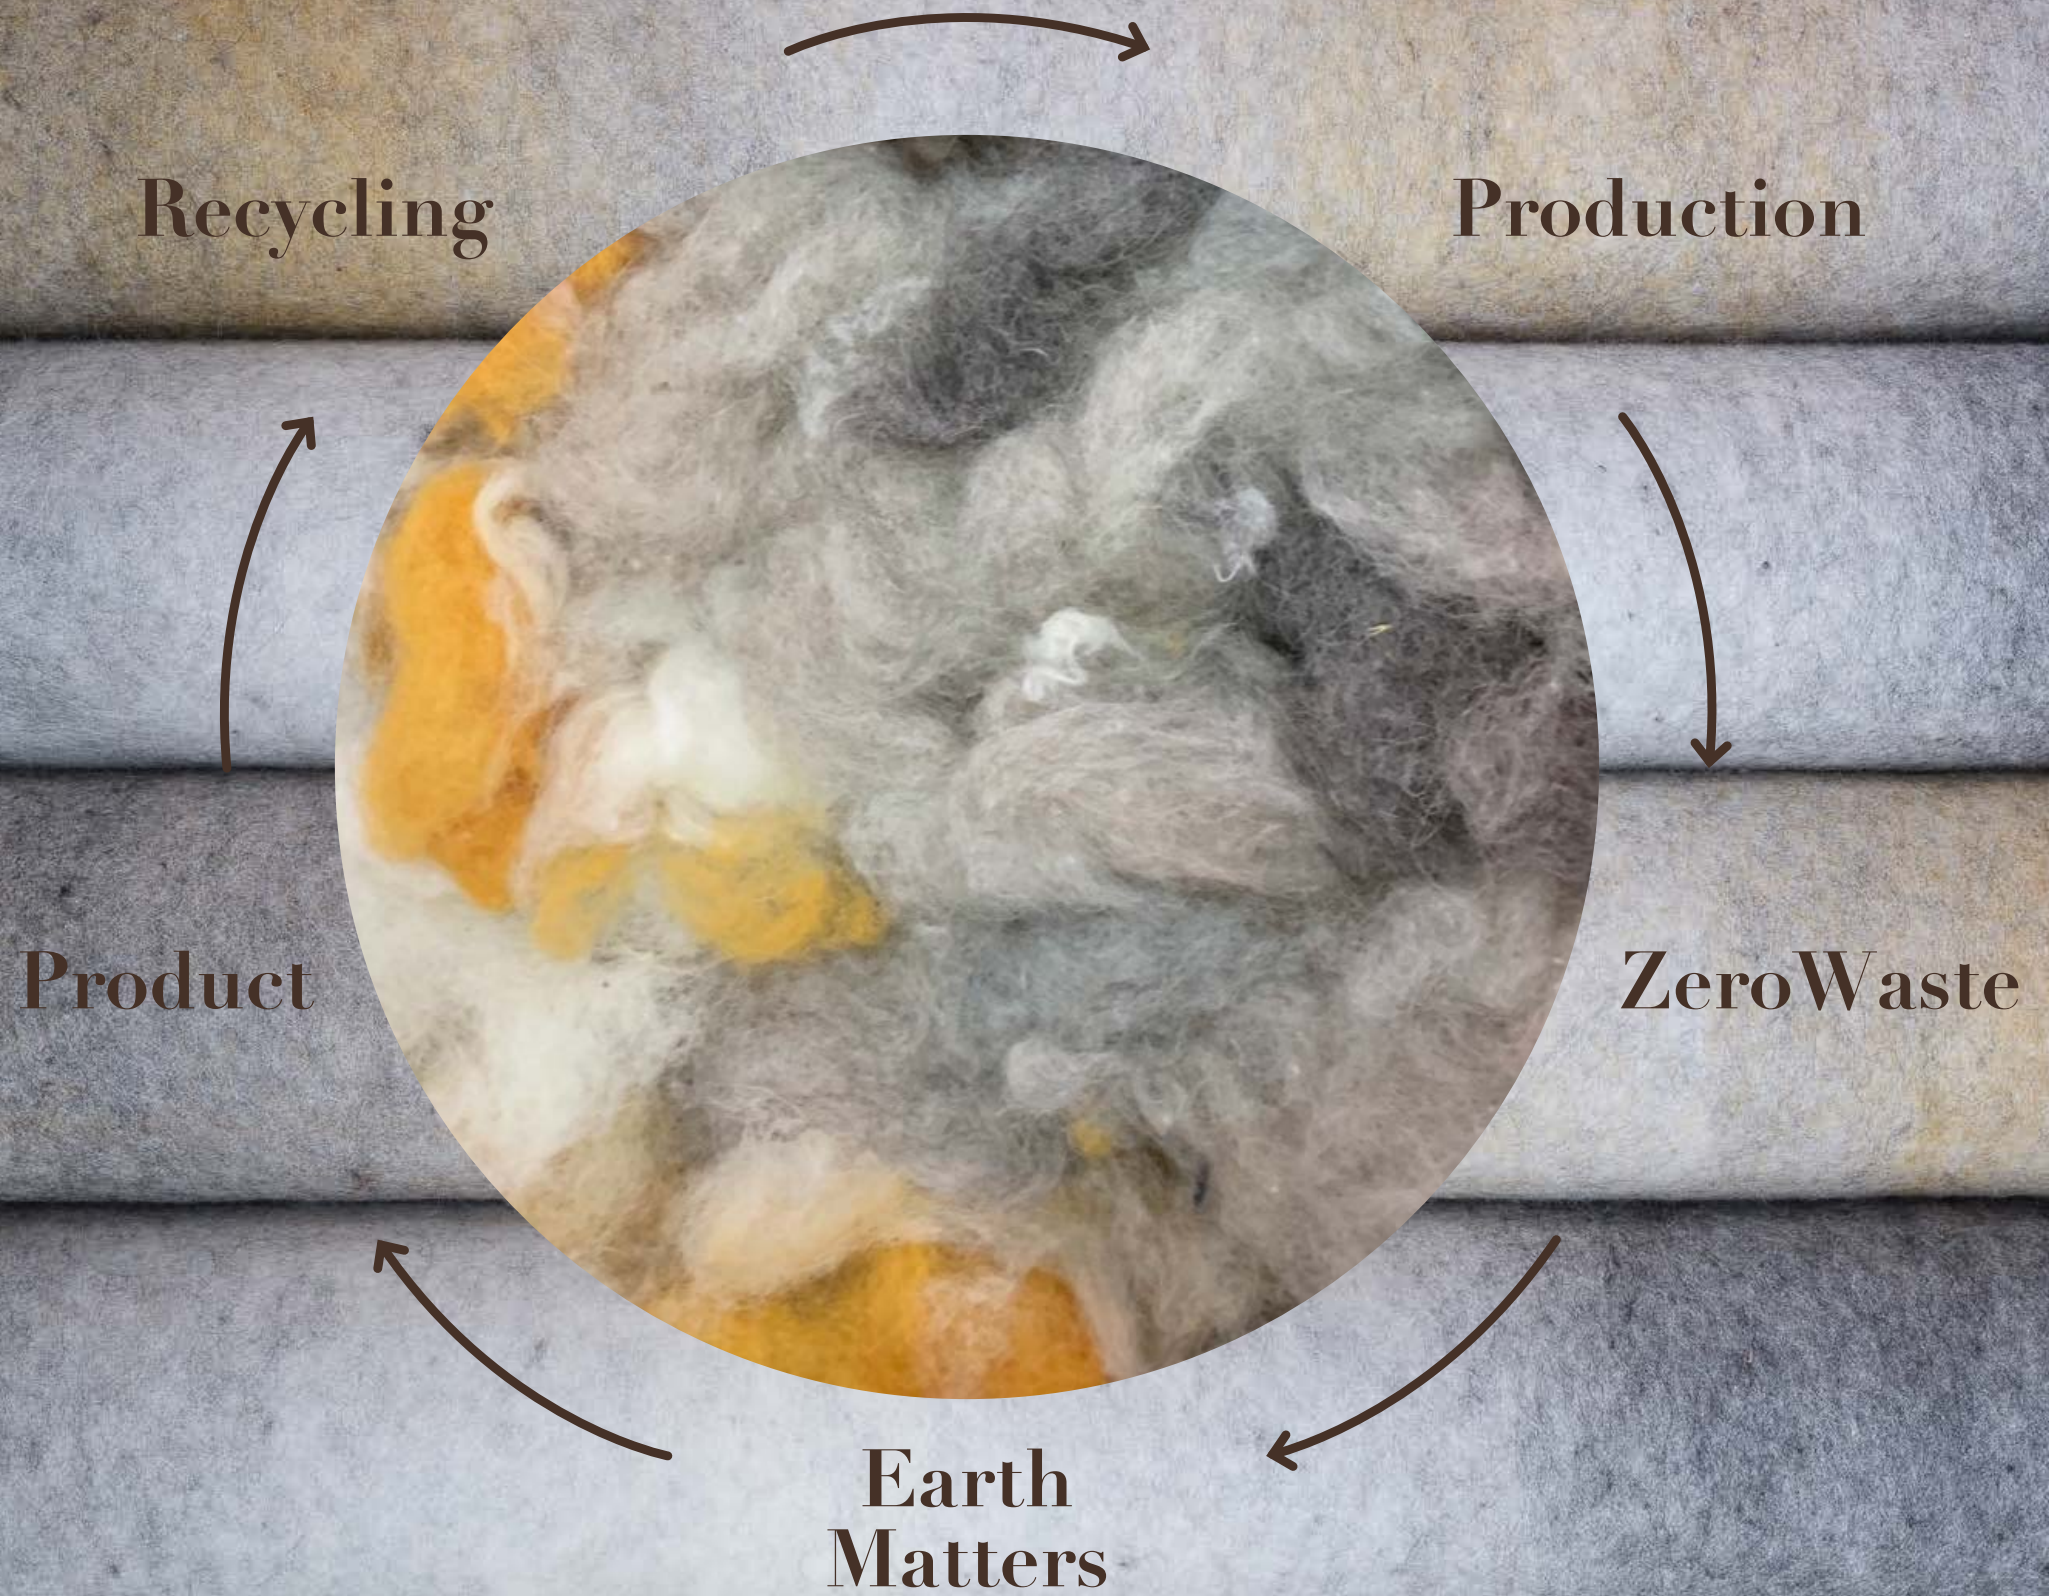

We're inspired by the *textures*
of *Icelandic landscape*

Yellow Earth

Sustainability

New use for old techniques

We spread
positive energy

Classical context;

A historical building that hosted
a *textile shop* 100 years ago

Geometrical forms from *natural* materials

Architecture & forms

We bring *tranquillity*
into your interiors

Green Earth

Sustainable architectural elements

We know how to use our
natural resources carefully

Quiet place

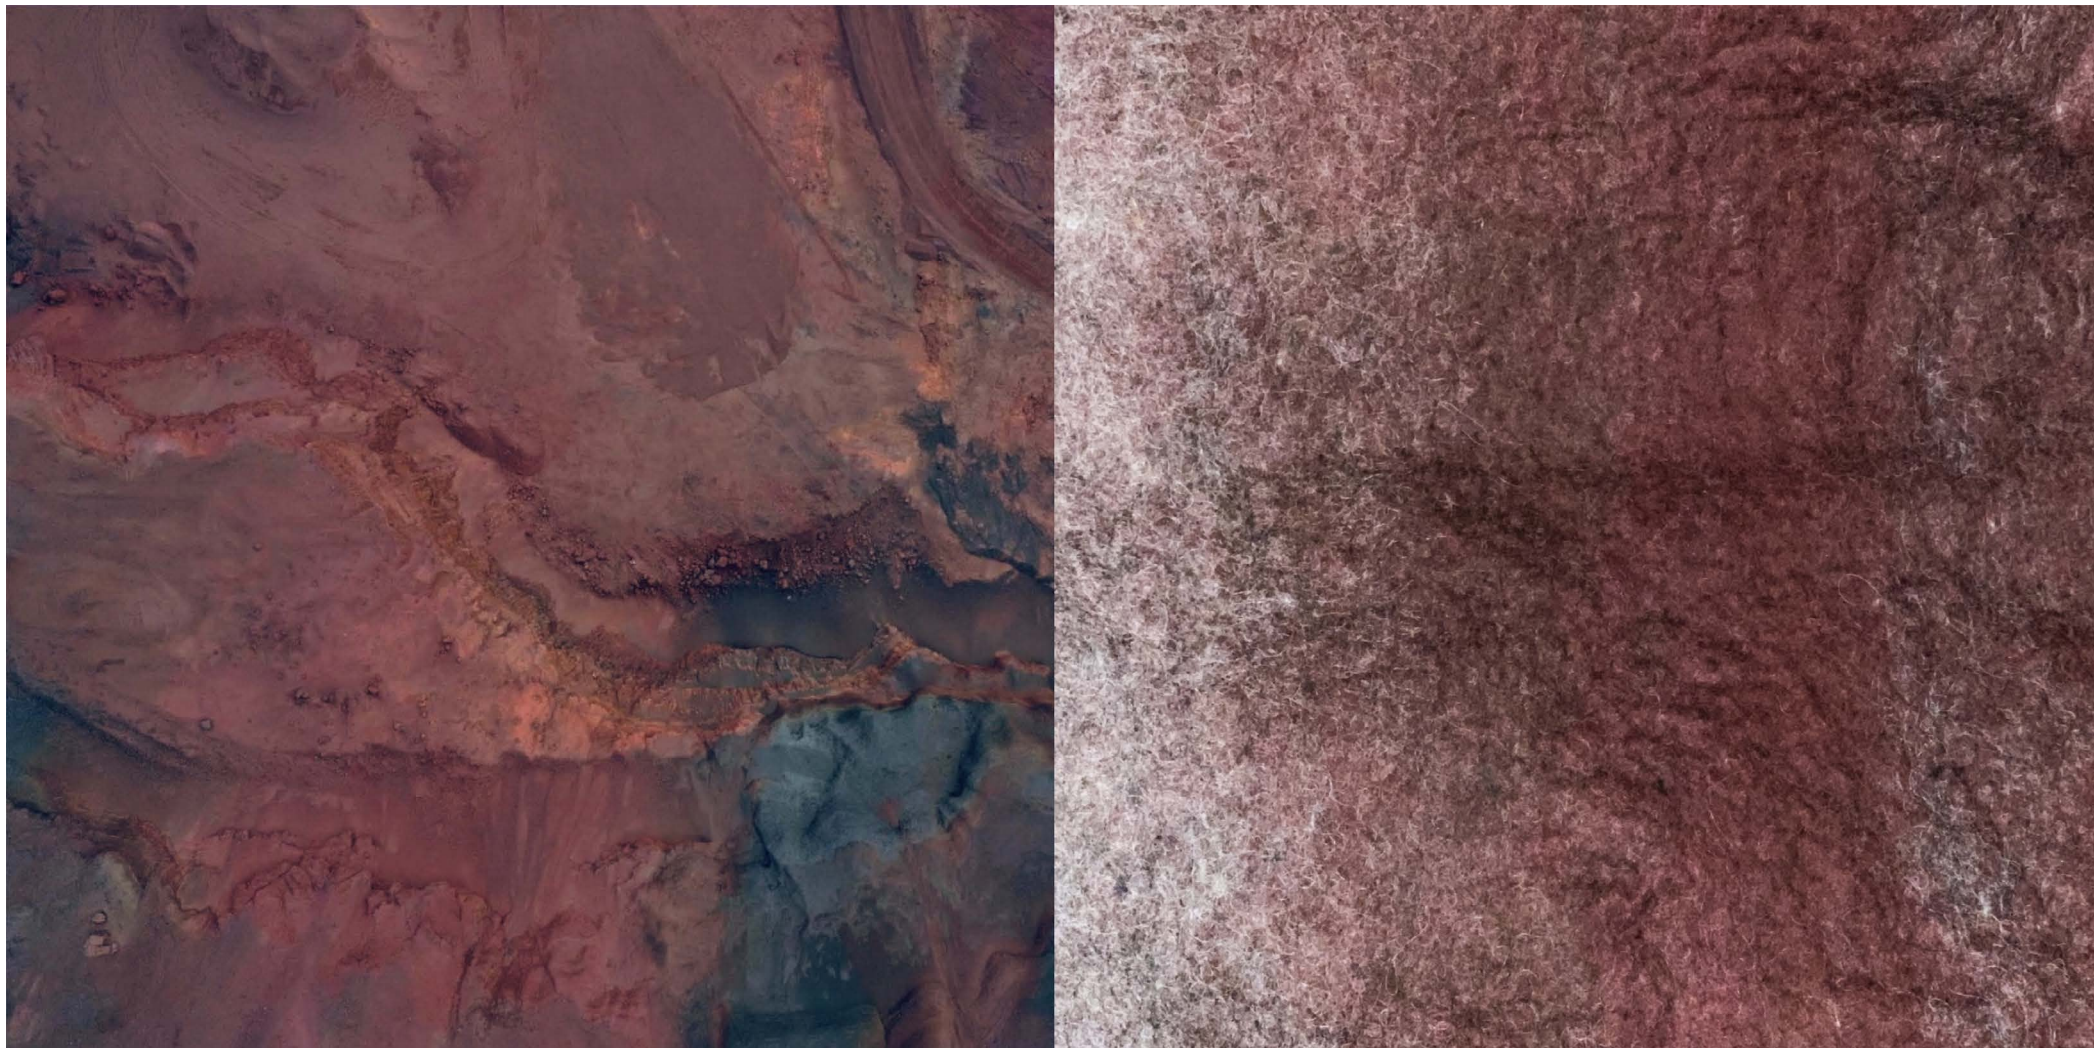

Our machineries will lead
us to a *greener future*

**We are driven
by our *passion***

Red Earth

We support our earth
optimizing its *resources*

Brown Earth

Grand
design

We combine the beauty
of nature with top notch
acoustic properties

Blue Earth

A-CLASS SOUND ABSORPTION

EN ISO 11654:1997

International
Organization for
Standardization
