## Kyoto

## Floor screen

As its name suggests, Kyoto's inspiration comes from the land of quiet contemplation, particularly the beauty of its tearooms. In these special places, the construction of the architecture and clarity of line and form are gently harmonious. Nothing is superfluous, everything serves a clear function without getting in the way of personal interaction.

Kyoto's partitions for swedish brand Zilenzio are available in three frame sizes, with two floor drop heights and one width. Frames are in ash.
